

## AUM SRI SAI RAM

### Sai Prema Ganga Water Project -Riktoli Village Chiplun, Maharashtra

The Shri Sanjay Sai Seva Organisations, International, Mumbai Chapter dedicated the second water Project on 27<sup>th</sup> of May 2018 to Indapurwadi , Riktoli Village in Chiplun District of Maharashtra, Situated in the Sahyadri Mountain Ranges, and around 350 km from Mumbai.

#### **Project details**

The initial Survey was conducted in Aug 2017 and Geologists of the PWD Department submitted relevant plans & drawings in the month of April 2018.

Activities included desilting, widening & deepening of the natural stream, constructing wall (DAM) across the stream and removing dusts & repairing the existing well.

With the blessings of Bhagawan the Bhoomi Pujan was carried out on 1<sup>st</sup> May 2018

#### **Work in Progress**

Widening/ Deepening of the Stream

Construction of Wall across the Stream

Pictures of the DAM

The Project has been completed in a record time of 26 days. Funds flowed easily for the project and we could also experience Bhagwan's presence in every moment of the project.

### **Capacity of the Reservoir**

Total Storage – 60 00 000 liters of water

### **Benefits**

A solution to water issues permanently - 24/7 throughout the year. – 2 more villages including Riktoli

Also benefits Agriculture around 4-5 KM radius

### **Inauguration**
